

Song of the birds  
Music for solo 'cello

*Reflections  
on the  
Gospel*

Christopher Poffley has played in all the leading period instrument orchestras in the UK (including Sir John Eliot Gardiner's English Baroque Soloists) over 20 years. He has performed all over the world and given recitals on BBC Radio 3 as well as venues such as Ely Cathedral, the Pantheon-Rome and St Martins-in-the-Fields.

Christopher Poffley plays the solo cello suites by J.S. Bach and other classical & contemporary works in a musical event which is both a recital and an opportunity for reflection.

The concert will include projected texts and images to enhance the performance.
