Mummy's back, this time with a few choice words to share...

Daddy is constantly off on exotic business trips. Boy Child Peter is connected to his iPad by an umbilical cord and Girl Child Jane is desperate to make her fortune as an Instagram lifestyle influencer...

Mummy has found herself a new challenge, working for one of the hottest new tech start-ups, which occupies a sexy, glossy glass office block full of light and space and beautiful people. But not only is she worrying if at forty-two she could actually get up off a bean bag with dignity, she's also somehow (accidentally) rebranded herself as a hot, single party girl who works hard, plays hard and doesn't have to run out when the nanny calls in sick.

Meanwhile, Mummy's marriage is feeling the strain, her kids are running wild and the house is steadily developing a forest of mould... Only Judgy, the Proud and Noble Terrier remains loyal as always. Can Mummy keep everything from falling apart? Or even find time for a G&T anymore?

Gill Sims is the bestselling author of *Why Mummy Drinks*, which has spent a staggering 30 weeks and counting in the *Sunday Times* Top 10 and was the bestselling debut hardback novel of 2017.

She lives in Scotland with her husband, two children and a recalcitrant rescue Border Terrier, who rules the house. Gill's interests include drinking wine, wasting time on social media, trying and failing to recapture her lost youth and looking for the dog when he decides to go on one of his regular jaunts. **Gill is available for interview and to write pieces.**
